**INSIGHT Into Diversity** is the oldest and largest diversity magazine and website in higher education today. For over 45 years, **INSIGHT Into Diversity** has connected potential employees with institutions and businesses choosing to embrace a workforce more reflective of our local and national communities.

In recent years, the magazine has striven to advance the national conversation about diversity and inclusion through thought-provoking articles on current trends and relevant news; interviews with innovators, thought leaders, and experts; exploration of best practices; and profiles of successful programs and initiatives. We engage readers in the goal of achieving a more diverse and inclusive culture at institutions of higher education.

We also serve as a comprehensive recruiting vehicle for our advertisers because our definition of diversity goes beyond race and ethnicity. Our pool of job seekers is broad and vast, in part because we’ve formed strategic partnerships with organizations representing a wide range of talented individuals.
INSIGHT Into Diversity’s distribution is vast and broad.

Diversity Champions exemplify an unyielding commitment to diversity and inclusion throughout their campus communities, across academic programs, and at the highest administrative levels.

A limited number of colleges and universities have been selected for this honor.

Known for visionary leadership, Diversity Champions are institutions that set the standard for thousands of other campus communities striving for diversity and inclusion. They develop successful strategies and programs, which then serve as models of excellence for other institutions. Diversity Champion schools exceed everyday expectations, often eclipsing their own goals.

Selected institutions rank in the top tier of past Higher Education Excellence in Diversity (HEED) Award recipients. The HEED Award is presented annually by INSIGHT Into Diversity to recognize colleges and universities that are dedicated to creating a diverse and inclusive campus environment.
We partner with many highly respected organizations in an effort to reach all underserved populations. Members are jobseekers and readers of *INSIGHT into Diversity* magazine.
