**INSIGHT Into Diversity** is the oldest and largest diversity magazine and website in higher education today. For over 45 years, **INSIGHT Into Diversity** has connected potential employees with institutions and businesses choosing to embrace a workforce more reflective of our local and national communities.

In recent years, the magazine has striven to advance the national conversation about diversity and inclusion through thought-provoking articles on current trends and relevant news; interviews with innovators, thought leaders, and experts; exploration of best practices; and profiles of successful programs and initiatives. We hope to engage readers in the goal of achieving a more truly inclusive culture on both academic and corporate campuses.

We also serve as a comprehensive recruiting vehicle for our advertisers because our definition of diversity goes beyond race and ethnicity. Our pool of job seekers is broad and vast, in part because we’ve formed strategic partnerships with organizations representing a wide range of talented individuals.

The **INSIGHT Into Diversity** Career Center successfully connects employers to the most highly qualified individuals regardless of race, color, national origin, religion, gender, age, disability, medical condition or history, veteran status, gender identity or expression, and sexual orientation.
INSIGHT Into Diversity’s distribution is vast and broad.

Diversity Champions exemplify an unyielding commitment to diversity and inclusion throughout their campus communities, across academic programs, and at the highest administrative levels.

**A limited number of colleges and universities have been selected for this honor.**

Known for visionary leadership, Diversity Champions are institutions that set the standard for thousands of other campus communities striving for diversity and inclusion. They develop successful strategies and programs, which then serve as models of excellence for other institutions. Diversity Champion schools exceed everyday expectations, often eclipsing their own goals.

Selected institutions rank in the top tier of past Higher Education Excellence in Diversity (HEED) Award recipients. The HEED Award is presented annually by **INSIGHT Into Diversity** to recognize colleges and universities that are dedicated to creating a diverse and inclusive campus environment.
